

Safe in school

My name is. I go to _____ school.

I have been at home. I have done some activities at home.

On _____ I can go to school.

I will get there by _____

School might be different. My teacher will send me some pictures or a video.

If I am scared my teachers will help me.

I can have sensory toys. I can go to _____ room.

I can go to school for _____ (amount of time) and then go home.

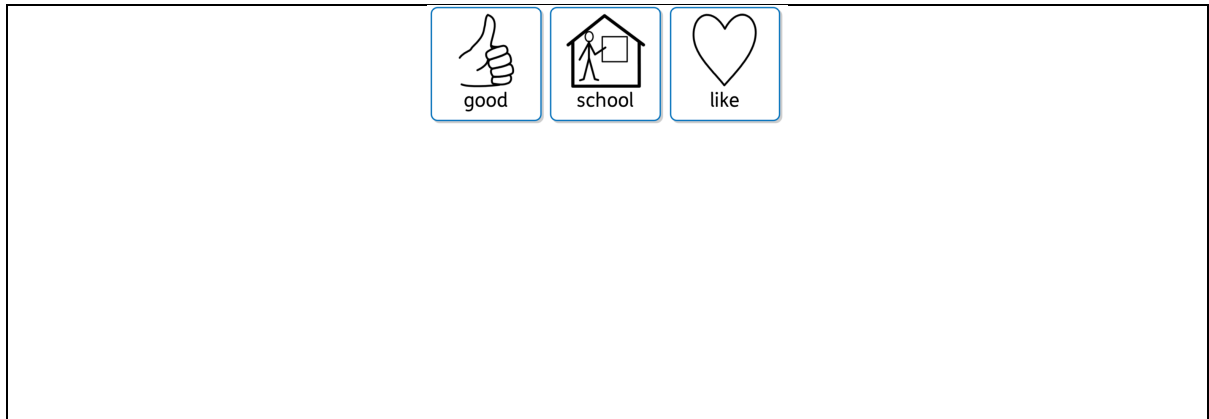

At school we will need to keep a space between us,
clean our hands more than usual and
try not to touch our faces.

This is to keep us as safe as we can be.

There will be good things at school. These are the things I like best.

My good things might be different but my teachers will help me get used to the new ways.

Well done. I am brilliant.
